After several weeks, of what seemed like unrelenting rain, the skies have cleared and the golf season is well under way. I can't tell you how good it is to see activity pick up in all areas.

We have a busy summer planned including junior golf clinics, swim lessons, tennis camps, water aerobics, pool parties and numerous golf tournaments. You can also be on the look out for our Summer Activity Packet in your email. It has all the information you need to plan your summer and get involved.

Our 2016 Membership Drive was a huge success and it was encouraging to see so many young families join.

Keeping that in mind, much of our summer programming is family focused. We encourage you to bring the kids and meet other young parents as we continue to broaden the country club experience beyond just golf to more accurately reflect our changing demographics.

With the Board's approval, we continue to make incremental and necessary changes both on the operational end and to the facility itself. Change is sometimes hard, but I can assure you these decisions are based on solid business practices and what is ultimately good for the club and overall membership.

Shortly, you will receive a State of the Club letter outlining current happenings at the club and addressing, in detail, capital issues, our proposed solutions, and recommended course of action.

We will also outline operational changes that will be implemented in the near future.

Our goal is to provide current members with the best possible amenities and services while attracting the next generation, and insuring a financially sound future for Oak Hills Golf & Country Club.

Thank you all for your continued support and I will see you around the club.

From Your Greens Superintendent...

Brad Grigg

With the cold weather out of here, it's time to start our mowing on the course. We have already started mowing tee's, greens and fairways. The greens on #6 and # 18 have spots that are in need of repair, but should be done within the next week.

We are happy to report that almost all the irrigation leaks have been repaired. There was some stump removal and leveling on #15 to help with maintenance. The hole should play easier and cause less wear and tear on the carts.

Many of you have been asking about aerating the greens. We begin on Wednesday, May 25 with our first ever **deep-tine aerification**. We will verticut greens and top-dress this month also. The fairways and tees are scheduled to be aerated, starting in June.

We have received many compliments on how nice the course is. The guys work extremely hard and the conditions of the course are their number one priority!

2016 Pool Season Begins!

Oak Hills will officially open the outdoor pools on Saturday of Memorial Day weekend (May 28th). We will kick off the summer with our annual Memorial Day Family Cookout on Monday, May 30, from 1pm-4pm, complete with bouncy castle, cotton candy, hotdogs, games and more! No reservations needed.

You can also look forward to several more themed pool parties this summer. Pirates of the Caribbean, 4th of July Extravaganza, "Dog Days" of Summer, A Trip to Margaritaville and Cruise Ship Casino Night! It's going to be quite a summer!!!

Finally, please make a note of our new pool hours: M-Sat 11am-7pm and Sun 1pm-7pm Guest fees: \$5/person.

Membership Drive Continues thru June

As this year's membership drive reaches its half-way mark, we happy to report the response has been outstanding. A big thank you to everyone for their help in spreading the word. We would like to especially acknowledge Carolyn Danielson, chair of the membership committee, for all her hard work.

Service Fees & Gratuities

Due to recent inquiries regarding your food and beverage invoice, management would like to take this opportunity to clear up some confusion and better explain our philosophy.

By law, eating establishments are required to pay servers and bartenders \$2.13/hr. The idea being, tips will make up for the lower hourly rate. Owing to the limited number of dining hours we are open and the low volume (compared to other restaurants), Oak Hills chooses to pay their staff a higher hourly rate. The automatic 15% service charge added to the total of every food bill goes to augment this hourly rate. The line on your bill marked "gratuity", is at the member's discretion and goes to the server.

We have an excellent wait staff that approach their jobs professionally and care about quality service. It is to everyone's benefit that we employ them as long as possible and avoid turnover. Offering competitive wages helps ensure Oaks Hills continues to hire only the best.
